Re: Odeh v. Royal Jordanian
Case No. 05 CV 03620

Dear Judge Holwell:

We are writing to inform the Court of our inability to contact our client, Mr. Nabeel Odeh. The only information we have is that plaintiff is currently somewhere in Jordan. Our attempts to locate him, however, have failed. We also know that Mr. Odeh is extremely ill with cancer.

The Court has set the summary judgment deadline as September 15, 2007. Until we contact our client, we would be unable to timely respond to the defendant's motion. I have discussed this situation with defendant's counsel and we both agree that this matter should be placed on the suspense docket until such time as plaintiff's exact whereabouts can be located.

The parties therefore respectfully request that the deadline for summary judgment motions be adjourned without date until we notify the Court that plaintiff has been located. During this time, my office will make further attempts to contact plaintiff.

Respectfully submitted,

Jason M. Wolf
